4:00 PM Meeting came to order

The selectmen told them that would have to have 5 members plus two alternatives. Also all money that is raised towards this project will have to be accepted by the Town at a meeting (do it in one lump sum). They have to do an annual report for the town book.

Richard Carver asked to have the names read back for the committee. so moved. All in Favor of resurrecting the Conservation Committee.

Richard Carver proposed that an article be written for the Town Warrant to ask that the town will take acceptance of this property from the Conservation Committee. Have it done early so the town doesn't have to have a Special Town Meeting.

Deena asked about agendas and notes.

Richard Carver told them to contact the Conservation Committee to get a list of parks, lighthouses, etc.

Deena Carafelli is going to email a copy of realtors agreement to start working for them. Richard Carver will email it to MMA and also find out about who signs things and how to set up an account.

4:40 PM 7 Weston Road (Map 4, Lot 14)

Susan Wilson gave the Selectmen a 30 day redemption paper to sign on the above property. The certified mail that she sent to the owner has not been picked up. They will have to send a notice to quit at the end of April. Richard Carver voted to have insurance put on the building on Friday, March 15, 2013. All in favor.
